Skilled Professional Medical Personnel
Health Care Administration

In accordance with Section 1902(a)(22)(A) of the Act, the Department employs skilled professional medical personnel (physicians, dentists, nurses, and other specialized personnel who have professional education and training in the field of medical care or appropriate medical practice) and supporting staff (secretarial, clerical, and others whose activities are directly necessary to the carrying out of the functions which are the responsibility of the skilled professional medical personnel) to administer the state's Medicaid program. Pursuant to Section 1903(a)(2)(A) of the Act, the FFP rate is 75 percent.

**Federal Budget Impact of State Plan Amendment 93-28
Updating Department Charts, List of Skilled Professional
Medical Personnel, and Duties of County Financial Workers**

This amendment simply updates the Department's organizational charts and the Health Care Administration's list of skilled professional medical personnel. ATTACHMENT 1.2-D updates the current duties of county financial workers. No federal costs result from this amendment.
